BASE LEASE REQUIREMENTS

1.0 GENERAL

The intent and purpose of the following requirements and specifications is to establish minimum quality, safety and performance standards for monthly leasing of the referenced equipment in this solicitation document.

2.0 BASE LEASE

MoDOT will accept bids on new or used units. However, the unit delivered must be completely covered by a manufacturer's or lessor's warranty, which includes replacement/repair parts, labor and transportation costs for the entire length of the lease period. The complete units must be manufactured in accordance with the latest adopted OSHA or SAE Standards and amendments thereto. Parts and service availability **MUST** be within 24-48 hours of contact.

In the event the successful vendor has an opportunity to sell a machine that is under lease contract with MoDOT, MoDOT will allow for this as long as a suitable replacement can be supplied without causing downtime for MoDOT crews and/or paving operations.

3.0 DELIVERY & INSPECTION

Delivery will be by appointment only to allow the MoDOT Area Mechanic to do a complete inspection of the unit, at which time; photos will be taken to document the condition of the machine. An official representative of the successful bidding company shall be present to participate in the inspection. If a unit has not been provided by the lease period start date, the compensation due the lessor will be reduced at a rate of \$150.00 per day for all working days a unit is not available during the lease period. If this exceeds 10 working days, MoDOT reserves the right to obtain another unit from the next low bidder or other resources. At the end of the lease period when the unit is to be picked up, no unit will be released to a freight hauling company, unless the successful bidding company representative has properly inspected the unit in the presence of a MoDOT Area Mechanic. All costs associated with delivery and pickup of leased units is the responsibility of the lessor.

4.0 MAINTENANCE & REPAIR

The department will furnish fuel, grease lubricant of chassis, and normal maintenance cleaning. The lessor will be responsible for all scheduled oil changes and periodic services required by manufacturer or lessor. The lessor shall furnish all necessary lubricants, replacement filters (oil, fuel, air filters, etc.), replacement/repair parts, labor and transportation. The lessor will supply MoDOT with the manufacturers and/or lessor's scheduled hourly maintenance chart(s), which MoDOT will use as a guide to contact lessor when unit needs serviced.

5.0 DOWNTIME

If the unit is unavailable for use for **more than 48-hours**, at any time, **the lessor must substitute a loan unit of mutually agreed upon type.** The substitute unit must be provided within 3 days after the initial 2 days of downtime has accrued, unless a MoDOT representative agrees to a more flexible arrangement offered by the lessor. If after this time a substitute unit has not been provided or the original unit has not been repaired, the compensation due the lessor will be reduced at a rate of \$150.00 per day for all working days a unit is not available during the lease period, including the initial downtime. If this exceeds 10 working days, MoDOT reserves the right to obtain another unit from the next low bidder or other resources. If such a unit is obtained, MoDOT reserves the right to terminate the original lease with the first vendor and will continue with the second vendor for the duration of the original lease period. All costs associated with delivery and pickup of leased units is the responsibility of the lessor.

6.0 VEHICLE DAMAGE

The department will be responsible for abuse or damage to the unit beyond normal expected wear and tear for highway maintenance operations. The maximum damage claim will be established at 75% of the manufacturers suggested retail price. A copy of the manufacturers suggested retail price is to be provided at the time of delivery and retained as part of the contract.

7.0 AWARD

Award of this bid will be made on an "All or Nothing" basis using the "Lowest and Best" principle of award.

- c. All payments for work performed by a subcontractor shall be made to the Contractor to whom the contract was awarded and the purchase order issued.

Invoicing and Payment

- b. The Contractor must be registered and maintain good standing with the Secretary of State of the State of Missouri and other regulatory agencies, as may be required by law or regulations. Prior to the issuance of a purchase order and/or notice to proceed, the Contractor may be required to submit to MoDOT a copy of their current Authority Certificate from the Secretary of State of the State of Missouri.
 - 1) Prior to the issuance of a purchase order and/or notice to proceed, all **out-of-state** Contractors **providing services** within the state of Missouri must submit to MoDOT a copy of their current Transient Employer Certificate from the Department of Revenue, in addition to a copy of their current Authority Certificate from the Secretary of State of the State of Missouri.

This Executive Order, which promulgates the State of Missouri's position to not tolerate persons who contract with the state engaging in or supporting illegal activities of employing individuals who are not eligible to work in the United States, is incorporated herein by reference and made a part of this Agreement.
 - 1) "By signing this Agreement, the Contractor hereby certifies that any employee of the Contractor assigned to perform services under the contract is eligible and authorized to work in the United States in compliance with federal law."
 - 2) In the event the Contractor fails to comply with the provisions of the Executive Order 07-13, or in the event the Commission has reasonable cause to believe that the contractor has knowingly employed individuals who are not eligible to work in the United States in violation of federal law, the Commission reserves the right to impose such contract sanctions as it may determine to be appropriate, including but not limited to contract cancellation, termination or suspension in whole or in part or both.

- 1) If attached, the document entitled **"MISSOURI SERVICE-DISABLED VETERAN PREFERENCE"** should be completed and returned with the solicitation documents.
- d. In the event of a tie of low bids, the MHTC reserves the right to establish the method to be used in determining the award

- b. The Contractor agrees and understands that the contract shall constitute an assignment by the Contractor to the MHTC of all rights, title and interest in and to all causes of action that the Contractor may have under the antitrust laws of the United States or State of Missouri for which causes of action have accrued or will accrue as the result of or in relation to the particular equipment, supplies, and/or services purchased or produced by the Contractor in the fulfillment of the contract with the MHTC.
- c. In the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the Contractor may request MoDOT to enter into such litigation to protect the interests of the MHTC, and, in addition, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

- a. The MHTC may cancel the contract at any time for a material breach of contractual obligations or for convenience by providing the Contractor with written notice of cancellation. Should the MHTC exercise its right to cancel the contract for such reasons, cancellation will become effective upon the date specified in the notice of cancellation sent to the Contractor.
- b. If the MHTC cancels the contract for breach, the MHTC reserves the right to obtain the equipment, supplies, and/or services to be provided pursuant to the contract from other sources and upon such terms and in such manner as the MHTC deems appropriate and charge the Contractor for any additional costs incurred thereby.

Bankruptcy or Insolvency

- a. Upon filing for any bankruptcy or insolvency proceeding by or against the Contractor, whether voluntary or involuntary, or upon the appointment of a receiver, trustee, or assigned the benefit or creditors, the Contractor must notify MoDOT immediately. Inventions, Patents, and Copyrights

- b. All equipment, supplies, and/or services which do not comply with the specifications and/or requirements or which are otherwise unacceptable or defective may be rejected. In addition, all equipment, supplies, and/or services which are discovered to be defective or which do not conform to any warranty of the Contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection) may be rejected.
- c. The MHTC reserves the right to return any such rejected shipment at the Contractor's expense for full credit or replacement and to specify a reasonable date by which replacements must be received.
- d. The MHTC's right to reject any unacceptable equipment, supplies, and/or services shall not exclude any other legal, equitable or contractual remedies the MHTC may have.
